Reported by American states	459	301	293	297	231

r Revised data.

x Data unavailable, not applicable or confidential.

1. Hospital abortions are not reported by Prince Edward Island. Clinic abortions are not reported by Prince Edward Island, Saskatchewan, the Yukon and the Northwest Territories and Nunavut.

2. Includes therapeutic abortions performed on Canadian residents in selected American states.

3. For 1999, therapeutic abortions performed in Ontario have been excluded from this table due to incomplete reporting. However, abortions performed on Ontario residents in other provinces are included.

4. Includes abortions performed on non-Canadian residents.

5. Data for Nunavut includes the complete 1999 calendar year.
